## WORK EXPERIENCE

**User Experience Designer, SolarWinds** *Oct 2017 - Present*

- Take broad, conceptual ideas and turn them into high-fidelity prototypes, valuable for marketing, engineering and PM
- Design simple and elegant flows that improve user experience
- Partner with engineering, research and PM to oversee the user experience of a product from conception until launch

**User Interface/Experience Intern, SchoolLinks** *Jan 2017 - May 2017*

- Produced and documented consistent UI designs in two-week sprints and while maintaining communication with developers

**Mobile Design Intern, IBM** *Jun 2015 - Aug 2015*

- Wrote app specifications and user stories for two iOS apps, helping designers build intuitive wireframes and UIs
- Led crowdsourced competition for above apps; set delivery schedules for submissions and communicated rationale behind good designs
